

LOCATION: EINDHOVEN, THE NETHERLANDS

INDUSTRIAL ENGINEERING & MANAGEMENT

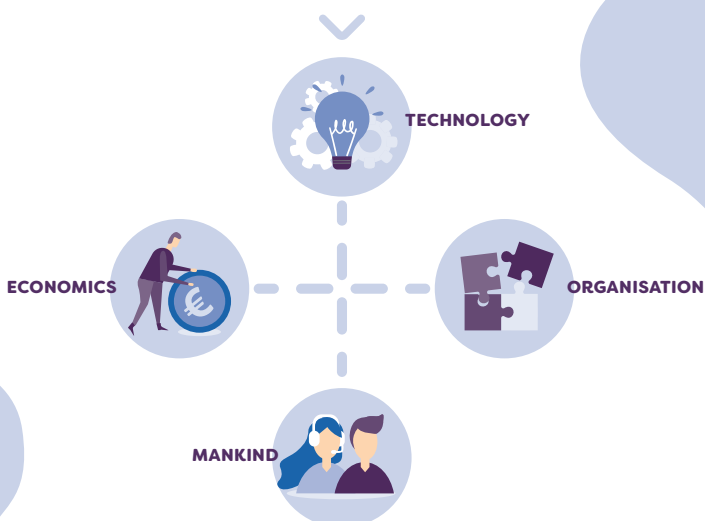

4 YEAR
BACHELOR
DEGREE

START: SEPTEMBER & FEBRUARY

WANTING TO BECOME A MANAGER IN A TECHNICAL COMPANY?

The best way to get there is the Bachelor Industrial Engineering & Management (IEM) at Fontys Eindhoven! You will be trained to become an all-round expert in business engineering. Together with teachers, students and external companies you will discover what you need to know and need to be able to do to gain a deep understanding of the people, the organisation, the technical know-how and the economic principles on which companies depend.

FIELDS OF STUDY

“

‘Working with other students in groups makes you more collaborative, outgoing and respectful to others work & opinions.’

Marwan Almansory, IEM student

‘I get a buzz from the mix of cultures at IEM. We have a great atmosphere, and the variety in languages and attitudes is a lively challenge, every day of the week. An excellent learning environment for 21st century business engineering students.’

Henk Eppenhof, teacher at IEM

‘Together with Fontys, Jabil is better able to manage complexity at speed what will define our competitiveness and success.’

Bram Maas, Jabil Circuit Netherlands B.V.

‘We get to apply theoretical knowledge in real life companies.’

Arina Gorlova, IEM student

”

STUDY IN THE BRAINPORT REGION

Brainport Eindhoven is a technology region in which companies, governments and educational institutions work together to create a brighter future. There is no place in the world where so many new ideas are generated every day.
