Scholarship amount:

- Erasmus+ scholarships are different per sending country (the Netherlands in this case), but also it differs per host country. The table below shows the amount Fontys students will receive per day (count for 1 month always 30 days).
- *For example, for a stay of 5 months in Spain, this means 150 days for an amount of €2.250.*

	Group 1	Group 2	Group 3
Countries:	Denmark Finland Iceland Ireland Liechtenstein Luxembourg Norway Sweden	Austria Belgium Cyprus France Germany Greece Italy Malta Portugal Spain	Bulgaria Croatia Czech Republic Estonia Hungary Latvia Lithuania North Macedonia Romania Serbia Slovakia Slovenia Poland Turkey
Amount per day	€ 17	€ 15	€ 13

- There are additional scholarships for students with:
 - ✓ Economic circumstance
 - ✓ Health circumstance
- Students that meet the requirements will be able to get an additional scholarship of €250 per month (or €100 - €150 in case of a short-term mobility of max. 30 days).
- *For example for a stay of 5 months in Spain, this means 5 x €250 on top of the abovementioned scholarship. In total this student would therefore be eligible to €2.250 + €1.250 = €3.500.*
- The type of proof for an additional scholarship depends on the circumstance. Please upload one of these two documents to your Mobility Online file. You can read more on [our website](#).
- It can be that with the Erasmus+ basic scholarship and the Erasmus+ additional scholarship (€250 per month) it is still not possible to go abroad due to a health circumstance and that your situation requires extra financial support. In that case you can apply for an extra health circumstance scholarship. In the Erasmus+ application procedure in Mobility Online you are able to request this funding for an indicative amount. Afterwards you will be contacted to provide the necessary supportive documents. The amount will be based on real costs and approved documents for real expenses. These indicative expenses need to be assessed by the Dutch National Agency for Erasmus+ before Fontys can approve it, and the receipts / invoices will be assessed after your mobility for a final approval. You can read more on [our website](#).
- Green travel: from fall 2022 semester students of Fontys that use train, bus or carpool on their 2-way trip to their destination will get €50 extra Erasmus+ scholarship. Next to that they will get

up to 4 extra days of Erasmus+ scholarship for the possible extra travel days. The amount per extra day is calculated as per the table above and includes a possible additional scholarship.
