

Dear Student,

In this way we, InsureToStudy and Fontys University, would like to inform you that if you have not found a GP yet, InsureToStudy will reimburse an e-consultation. If you cannot register with a GP, you can also go for emergencies to the HAP (Huisartsenpost) after 5 o'clock PM and in the weekends. InsureToStudy will reimburse this also. Of course you should still try to register with a GP practice. But if this doesn't work right away, you can use an E consultation or go to the HAP.
