# STUDENT COUNSELING BÈTA RHYTHM FONTYS ENGINEERING

## WHAT IS BÈTA RHYTHM?

It is experienced within Fontys Engineering that a number of students encounter barriers at various times during their studies. Students might get stuck in planning and organizing the study, collaborating, but also in the field of social skills. These are all parts that Beta Rhythm offers help with.

Supervisors, trainees from Applied Psychology and Human Resource Management, and specialists from many fields and backgrounds collaborate within Bèta Rhythm.

## BÈTA RHYTHM OFFERS..

- One on one coaching
- Training and workshops
- Plan groups
- Studying together
